## ABOUT FEED MY STARVING CHILDREN

Feed My Starving Children (FMSC) is a Christian nonprofit dedicated to providing nutritious meals to children worldwide. FMSC meals are hand-packed by volunteers at eight permanent packing sites and MobilePack™ events hosted by churches, businesses, community groups and schools across the country. The meals you pack are sent to an incredible network of partner organizations who distribute them to children and families in need around the world.

## ABOUT THE FMSC MARKETPLACE

The FMSC MarketPlace was created to support self-sufficiency. For a fair wage, handmade goods are purchased from hardworking artisans in communities that receive FMSC meals. Items are sold in our MarketPlace at FMSC packing sites, MobilePack events and online. Your MarketPlace purchases build communities and profits go back into FMSC feeding programs.
