ABOUT FEED MY STARVING CHILDREN

Feed My Starving Children (FMSC) is a Christian nonprofit dedicated to providing nutritious meals to children worldwide. FMSC meals are hand-packed by volunteers and sent to an incredible network of partner organizations that distribute them to those in need. Each meal costs less than a quarter. More than 91 percent of total donations go directly to feed kids, so your gift makes a huge impact.

ABOUT THE GALA

This year marks our 17th annual gala event. We expect to host approximately 1,000 guests. Our goal is to raise more than \$1.2 million. Distribution partner from eSwatini, Janine Maxwell, co-founder of Heart for Africa, will share stories about the impact you are making.

THE NEED IS GREATER THAN EVER

This year, partners have asked us for more food than we can provide. And for the first time in many years, we are unable to accept food aid applications for new partnerships.

This means lives are at stake.

Your financial support is critical. Simply put, we can't feed kids without you.
