About the Event

Join us this holiday season to bring HOPE to children like Nelson.

At four years old, Nelson sat listlessly on the ground among the pigs in a poor Haitian village. He was too weak to walk. He ate dirt to quiet his hunger pains. With the help of nutritious MannaPack™ meals and dedicated love and care, Nelson has **flourished** into a sweet, smiling, energetic boy. He is now **healthy** and **thriving!**

Our goal is to raise \$500,000 to feed 6,200 children every day for a year. We cannot do this without your help! We encourage businesses, churches, families and local communities groups to join us in these efforts. Please consider supporting our event and making a difference in the lives of starving children around the world.
