Health Savings Account (HSA)

Who is eligible and when:

Employees are eligible to enroll a Health Savings Account (HSA) if they meet the following requirements:

- › Are covered under FMSC’s High Deductible Health Plan (HDHP) on the first day of the month.
- › Are *not* enrolled in Medicare.
- › Are *not* covered under another medical plan that is not a HDHP, including a Flexible Spending Account (unless it is a Limited-Purpose account, which can only be used for dental and vision expenses). *If you anticipate large expenses such as orthodontia or lasik, please reach out to the Benefits Analyst for options to enroll in a Limited-Purpose FSA account.*
- › *Cannot* be claimed as a dependent on someone else’s tax return.

An HSA can be effective as early as the HDHP’s effective date if the employee enrolls within that month. If the employee doesn’t enroll in the HSA within the month that the HDHP is first effective, then the HSA would be effective as soon as the employee’s HSA enrollment form has been processed and the account opened.

Benefits you receive:

The HSA is a tax-favored account that can be set up to pay for current and future medical expenses. The benefits of an HSA include:

- › Tax-Deductible – Money contributed to the account is tax-deductible
- › Tax-Free – Money and interest in the account is tax-free for qualified expenses
- › Tax-Deferred – Leftover accumulated money can grow tax-deferred to help fund retirement
- › Yours to Keep – Contributions to your account are yours to keep forever, until you choose to use them
- › **Employees can change contributions to their Health Savings Account at any time.**

Current Annual Maximum Contributions

Single	Family	Age 55+
\$3,650	\$7,300*	\$1,000 catch-up contribution**

*An employee is eligible to contribute the annual family maximum amount if enrolled in FMSC’s HDHP family plan.

**Employees age 55 and older are eligible to contribute an extra \$1,000 per year towards their HSA.

The money in the account can be used to pay for any “qualified medical expense” permitted under federal tax law for you, your spouse and/or dependent(s). Qualified expenses include most medical care and services, dental care and vision care. For a complete list of eligible expenses, please visit [irs.gov](https://www.irs.gov).

According to the IRS, you must keep records sufficient to show that:

- › The distributions were exclusively to pay or reimburse qualified medical expenses,
- › The qualified medical expenses had not been previously paid or reimbursed from another source, and
- › The medical expenses had not been taken as an itemized deduction in any year.

Do not send these records with your tax return. Keep them with your tax records.

Flexible Spending Account (FSA)

Benefits you receive:

A Flexible Spending Account provides you with an important tax advantage that can help you pay for eligible health care and dependent care expenses on a pre-tax basis. By paying for certain expenses on a pre-tax basis, you lower your taxable income and increase your take-home pay.

Medical FSA

This allows you to pay with pre-tax dollars for certain IRS-approved medical care expenses not covered by your insurance. The current annual maximum amount you can elect to contribute to the plan is \$2,750 (minimum contribution is \$100). Expenses can be incurred by you, your spouse or eligible dependents.

Examples include:

- › Your medical plan's co-pays, deductible and coinsurance
- › Medical supplies such as hearing aids, crutches and orthopedic shoes
- › Vision services, including contact lenses, contact lens solution, eye examinations, eyeglasses and laser eye surgery
- › Dental services and orthodontia (contact Human Resources if you use the plan for orthodontia)
- › Chiropractic services
- › Acupuncture
- › Please note: over-the-counter drugs are not eligible unless prescribed by a doctor.

Dependent Care FSA

The Dependent Care FSA allows you to use pre-tax dollars to pay for qualified dependent care expenses such as caring for children under age 13 or caring for elders. The annual maximum amount you may contribute to the Dependent Care FSA is \$5,000 (or \$2,500 if married and filing separately) per plan year (minimum contribution is \$100).

Examples include:

- › The cost of child or adult dependent care
- › The cost for an individual to provide care either in or out of your house
- › Nursery schools and preschools

Current Annual Maximum Contributions

Medical FSA	Dependent Care FSA
\$2,750*	\$5,000

**subject to annual increase upon 2022 determination by the Internal Revenue Service*

Dental Reimbursement

Benefits you receive:

FMSC will reimburse each benefit-eligible employee up to \$1,200 per calendar year for dental expenses, orthodontia expenses or premiums paid to obtain individual dental insurance for the employee, spouse and/or dependents.

To receive this reimbursement, the employee must complete a reimbursement form, attach the itemized receipt along with other required documentation, and then submit the form to Human Resources for processing. If you are covered by individual insurance, an Explanation of Benefits (EOB) from the insurance company is required. If covered by a dental savings plan or discount program, a Fee Schedule of Coverage is required. Premiums to another employer-sponsored dental plan (e.g. spouse's group plan through employer) are not reimbursable.

Dental Reimbursement
\$1,200*

**Full-time employees and newly benefit eligible employees will receive a prorated amount during their first calendar year.*

Please note:

The Participant will be required to complete their signature on the [Dental Reimbursement Form](#) verifying that the claimed expense amount has not been reimbursed under any other coverage. Dental expenses are **not reimbursable** if the participant has received (or will receive) reimbursement from another source - including other insurance, accident, health plan, other dental care plan, or tax favored health plan as defined by [IRS Publication 969](#) (such as a Flexible Spending Account, Health Savings Account, etc.).

If you have questions regarding these guidelines, please reach out to HR at hr@fmsc.org or 763-267-6325.

Voluntary Accident Insurance

Benefits you receive:

Although accidents are unexpected and usually come without warning, you don't have to let an injury catch you off guard. You can be prepared to handle the accompanying medical expenses with the help of the Accident Insurance offered through Mutual of Omaha.

The Accident Insurance pays a lump-sum cash benefit for covered injuries that employees or an insured family member sustains as a result of an accident (as defined by the policy). Because accident insurance is supplemental, it works in addition to other any other insurance you may have.

The cash benefit from accident insurance can be used to:

- › Pay for out-of-pocket medical expenses
- › Supplement daily living expenses
- › Cover lost income from unpaid time off

	Employee Monthly Premium	Employee Per Pay Period Premium
Employee Only	\$11.64	\$5.37
Employee + Spouse	\$18.49	\$8.53
Employee + Child(ren)	\$25.22	\$11.64
Family	\$33.68	\$15.54

Example:

You broke your leg!

In exchange for your life of adventure, you receive bills for a visit to the Emergency Room, x-rays, crutches, and two follow-up appointments.

- Emergency Room: \$200
- Broken leg: \$3,000
- Crutches: \$100
- X-ray: \$75
- Follow-up visits: \$150 total

You receive a total reimbursement of **\$3,525.**

Examples of reimbursable expenses:

Urgent care, broken bones, burns, hospital stay, crutches, and much more!

This outline of coverage is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of you, the policyholder and the insurance company. It is, therefore, important that you read your certificate carefully! **This policy is not considered health insurance, and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.**

Voluntary Critical Illness Insurance

Benefits you receive:

An unexpected critical illness often comes without warning and may have lasting effects on you and your families — both physically and financially.

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. For deductible and coinsurance information applicable to the plan in which you enroll, please refer to the summary plan description of the plan you selected.

If you would like more information on WHCRA benefits, call Human Resources at 763-267-6325.

Newborns Act Disclosure – Federal

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

HIPAA Special Enrollment Rights

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program).

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children's Health Ins. Program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

Statement of ERISA Rights

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 ("ERISA"). ERISA provides that all participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the Plan Administrator's office and at other specified locations, the Plan and Plan documents, including the insurance contract and copies of all documents filed by the Plan with the U.S. Department of Labor, if any, such as annual reports and Plan descriptions.
- Obtain copies of the Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report, if required to be furnished under ERISA. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report, if any.

Continue Group Health Plan Coverage

If applicable, you may continue health care coverage for yourself, spouse or dependents if there is a loss of coverage under the plan as a result of a qualifying event. You and your dependents may have to pay for such coverage. Review the summary plan description and the documents governing the Plan for the rules on COBRA continuation of coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for participants, ERISA imposes duties upon the people who are responsible for operation of the Plan. These people, called “fiduciaries” of the Plan, have a duty to operate the Plan prudently and in the interest of you and other Plan participants. No one, including the Company or any other person, may fire you or discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA.

Enforce your Rights

If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have a right to have the Plan review and reconsider your claim. Under ERISA, there are steps you can take to enforce these rights. For instance, if you request materials from the Plan Administrator and do not receive them within 30 days, you may file suit in federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$149 per day (up to a \$1,496 cap per request), until you receive the materials, unless the materials were not sent due to reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, and you have exhausted the available claims procedures under the Plan, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose (for example, if the court finds your claim is frivolous) the court may order you to pay these costs and fees.

Assistance with your Questions

If you have any questions about your Plan, this statement, or your rights under ERISA, you should contact the nearest office of the Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits and Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.

In these cases we never share your information unless you give us written permission: marketing purposes or sale of your information.

Changes to the Terms of This Notice

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, on our web site, and we will mail a copy to you.

IMPORTANT NOTICE FROM HEALTHPARTNERS ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

Enrollees of any of the three (3) Medical Plans

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with HealthPartners and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

3. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
4. Feed My Starving Children has determined that the prescription drug coverage offered by the HealthPartners medical benefit plan is on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current HealthPartners coverage will not be affected. If you do decide to join a Medicare drug plan and drop your current HealthPartners coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with HealthPartners and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage:

Contact Feed My Starving Children’s Human Resources department for further information by email at hr@fmisc.org or call 763-267-6325.

NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through HealthPartners changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Visit www.medicare.gov. Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at **1-800-772-1213** (TTY **1-800-325-0778**).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2019. Contact your State for more information on eligibility –

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact HR at hr@fmhc.org or

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹ An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.

Illinois Act – Benefit Disclosure

Illinois Consumer Coverage Disclosure Act (SB 1905)
