

# HUNGER TO HOPE FMSC GALA

Saturday, May 4, 2019

Renaissance Schaumburg Convention Center

\$125 per person | Semi-formal attire

## ABOUT FEED MY STARVING CHILDREN

We are Feed My Starving Children (FMSC), a Christian nonprofit organization that helps you turn hunger into hope with your own two hands. FMSC meals are specifically designed to assist in preventing and reversing undernutrition. YOU (our amazing donors and volunteers) fund and hand-pack 100% of FMSC meals. We receive no government aid.

FMSC meals are donated to a carefully-selected network of mission and humanitarian organizations worldwide. They pay for shipping, are accountable to securely deliver the meals and provide us with food impact reports. Nutritious FMSC meals are used to operate schools, orphanages, clinics and feeding programs in thousands of communities around the world – these meals become the foundation for all other progress.

## ABOUT THE FMSC GALA

**This year marks our 12th annual gala event in Illinois. We expect approximately 1,200 guests to attend. FMSC's 2019 goal is to raise more than \$750,000 – we know with your help we can do it!**

### \$10,000+ SPONSORSHIP LEVEL

One of FMSC's executive staff members will visit with your organization to talk about FMSC. Be inspired as you listen and immerse yourself in the powerful stories they will share.

### \$25,000+ SPONSORSHIP LEVEL

FMSC will come to your place of business and provide you and a group of volunteers with an FMSC MobilePack™ experience (up to 50,000 meals). Work together with your colleagues to fight hunger – this event provides an invigorating and refreshing team-building experience.

## THE PROBLEM & FMSC'S SOLUTION

**FMSC estimates at least 6,200 children die each day from undernutrition.** Because volunteers and donors just like you fund and pack every FMSC meal, hundreds of millions of MannaPack™ meals are sent each year to feed thousands upon thousands of precious children every day. Each meal costs less than a quarter to make. More than 90 percent of your total donations are devoted to feeding programs. Your hands bring extraordinary efficiency to FMSC's process, allowing us to maintain consistently high ratings from Charity Navigator for good governance and efficient management.

Through your passion to get food to every hungry child across the globe, FMSC continues to grow every year. You extend our ability to reach further.

## ABOUT MOBILEPACK™ EVENTS

FMSC provides guidance, logistics, raw ingredients and trained staff members to help each MobilePack run smoothly. Local donors and volunteers like you engage in these powerful meal-packing experiences across the United States that instill compassion in their communities and improve the lives of struggling, starving children around the world.
