

HUNGER TO HOPE FMSC GALA

Saturday, November 10, 2018

Minneapolis Convention Center

\$100 per person | Semi-formal attire

ABOUT FEED MY STARVING CHILDREN

We are Feed My Starving Children (FMSC), a Christian non-profit organization that helps you turn hunger into hope with your own two hands. Our three meal formulas are specifically designed to aid in reversing malnutrition. YOU (our amazing donors and volunteers) fund and hand-pack 100% of FMSC meals. We receive no government aid.

FMSC meals are donated to a carefully-selected network of mission and humanitarian organizations worldwide. They pay for shipping, are accountable to securely deliver the meals and provide us with food impact reports. Nutritious FMSC meals are used to operate schools, orphanages, clinics and feeding programs in thousands of communities – these meals become the foundation for all other progress.

ABOUT THE FMSC GALA

This year marks our 16th annual gala event. We expect to have approximately 1,700 guests in attendance. **FMSC's 2018 goal is to raise \$1.2 million – we know with your help we can do it!**

\$20,000+ SPONSORSHIP LEVEL

One of FMSC's executive staff members will come and talk with your organization about FMSC. Be inspired as you listen and immerse yourself in the inspirational stories they will share.

\$40,000+ SPONSORSHIP LEVEL

FMSC will come to your place of business and provide you and a group of volunteers with an FMSC MobilePack™ experience (up to 50,000 meals). Work together with your colleagues to fight hunger – this event is great for morale and team building.

2017 NUMBERS

With the help of volunteers and donors just like you, nearly 1.2 million volunteers packed more than 333 million meals to feed more than 913,555 kids every day for a year. In 2018 we plan to pack more than 365 million meals.

Each meal costs less than a quarter to make. More than 90% of total donations go straight into our feeding program. Your money will make a huge impact.

FMSC received its 13th consecutive 4-star rating from Charity Navigator for good governance and efficient management. Only 1% of nonprofits have received this rating from Charity Navigator.

ABOUT MOBILEPACK EVENTS

Feed My Starving Children MobilePack events allow people across the United States the chance to pack life-giving meals, instill compassion into their community and improve the lives of struggling children around the world. FMSC brings the raw ingredients, equipment and trained staff.
