Hope starts with food — and *you* make it possible

The problem:

- 1 in 9 people globally lacks enough food
- Every 4 seconds, someone dies from hunger
- 6,200 children will not live to see tomorrow — because of hunger *today*

Hunger is a global crisis — but it's also the world's most *solvable* problem. And *you* can be part of the solution.

The solution:

At Feed My Starving Children (FMSC), we believe God uses people just like you to drive lasting change. We provide nutritious meals for children around the world. We work through trusted local partners who stay for the long haul — using food to build education, health and hope.

Together, we do more than feed children for a day — we equip communities for a future without hunger.

By the numbers

- More than **4 billion** meals provided since 1987
- **99+%** of meals shipped have reached their intended destination
- **Less than 30¢** per meal
- **100% donor-funded** — no government support
- **88%** of donations goes directly to meal production
- Consistent **4-star rating** from Charity Navigator

Grace was dangerously underweight and often sick. Her parents worked hard but couldn't afford enough food. After just a few months of MannaPack® meals, Grace gained weight and is now full of energy and life!
