

FMSC Info Sheet

FMSC Boilerplate Language

We are Feed My Starving Children (FMSC), a Christian non-profit dedicated to seeing every child and person around the world healthy, nourished and whole in body and spirit.

We believe no child should go hungry. Every child deserves a nutritious meal, every day.

What Makes Us Different

Firmly Christ-centered

We believe Jesus Christ has called us to feed the hungry. We strive to follow His calling every day in all that we do.

Pioneering food formulas

FMSC's nutritious MannaPack™ meal formulas are specifically designed to aid in reversing malnutrition, providing the protein, carbohydrates and key nutrients a child needs to thrive.

Strong in-country partnerships

We donate FMSC meals to an exceptional network of missions and humanitarian organizations that ensure the meals get to those who need them most.

Building strong communities

We believe food is the foundation for all other progress. To a starving child, hope can only begin once a reliable source of nutritious food has been established. Food assistance is vital in order to transition individuals, families and communities out of chronic hunger and poverty and into self-sufficiency.

Powerful volunteer experience

Volunteers like you hand-pack and pay for every FMSC meal. We don't use machines to package FMSC meals because we realize the personal, impactful experience created by packing the meals by hand. Your hands are the last to touch the food before it reaches hungry kids around the world. We couldn't do this work without you.

Efficiency

Your gift goes a long way in the fight against world hunger.

- Each meal costs less than 25 cents.
- \$80 feeds a child for an entire year.
- More than 90 percent of every dollar donated goes directly toward feeding kids.
- More than 99 percent of FMSC meals have safely reached their intended destination.
- FMSC consistently receives the highest awards for accountability and transparency from Charity Navigator.

The Power of Food

Nutritious food equips kids to learn in school, build their communities and grow up strong in body and spirit.

Food paves the way for education. Food builds a solid foundation for communities to become strong and self-reliant. Food makes it possible for children to gain physical and spiritual health. Food delivers hope in the name of Jesus.

Turn hunger into hope with your own two hands.

About Feed My Starving Children

A Christian non-profit founded in 1987, Feed My Starving Children tackles world hunger by sending volunteer-packed, nutritious meals to 70 countries, where they're used to operate orphanages, schools, clinics and feeding programs to break the cycle of poverty. Last year, FMSC welcomed nearly 1.1 million volunteers to pack more than 284 million meals to feed more than 779,000 kids daily for a year. The Minnesota-based charity spends more than 90% of total annual donations directly on feeding kids.

About FMSC MobilePack

MobilePack events enable children and adults across the United States to pack FMSC's life-giving MannaPack™ meals. Churches, businesses, community groups and schools in 37+ states have hosted these food-packing events as a way to foster teamwork and unity, while making a real difference in the fight to prevent and reverse malnutrition. FMSC provides guidance and logistics. Local donors and volunteers engage in powerful meal-packing experiences to improve the lives of malnourished children around the world.
