

## Feed My Starving Children – Ambassador Commitment

Feed My Starving Children (FMSC) is a Christian nonprofit dedicated to providing nutritious meals to children worldwide. The Gospel is the reason Feed My Starving Children exists. We strive to follow the will of Jesus Christ every day in all we do. We seek Ambassadors who share our Christian faith and our commitment to following God's will. We ask that as an ambassador you keep FMSC in your prayers.

### Characteristics of Ambassadors:

An Ambassador volunteer will demonstrate a willingness to support and promote FMSC's Christian mission and goals. He/she will have a pleasant and professional demeanor, be proactive in working with host partners and be knowledgeable and comfortable communicating the story of FMSC in front of large and small groups.
