

In 2014, a small group set out to bring the community together for an opportunity to have a global impact. The original hope was to fund and hand-pack 100,000 meals to be distributed to the needy around the world through a MobilePack Event™ with the organization, *Feed My Starving Children*. Each year this event has grown allowing new volunteers to experience making a difference and allowing more children to be fed.

Although it took five years to top 1 million meals, we have committed to packing 1 million meals at the 6<sup>th</sup> MobilePack event scheduled for August 2019. There are many loyal participants who will continue to support this cause, but this goal requires many new sponsors!

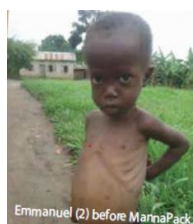

### The 2019 Sumter Feeds My Starving Children MobilePack event goals:

1. **Bring this opportunity to more people**
2. **Raise \$220,000 to fund 1 million meals**
3. **Coordinate 5,000 volunteers to pack the meals in August 2019**

### You can partner to make a difference through:

1. **Prayer** - Will you commit to pray that God continues to weave us together through this act of service? Will you pray those who serve will either meet for the first time or draw closer in their relationship with Jesus? Will you pray every meal that is packed will meet the physical needs of children around the world so their ears can be open to hearing the gospel?
2. **Funding** - Your gift goes a long way in the fight against world hunger. Each meal costs just 22 cents, so every quarter makes a difference. \$80 feeds a child for an entire year! Coordinate something which allows your group to become invested, such as a simple rice dinner. The dollars you contribute may cover the costs for your volunteers or allow others to experience making a difference by packing. Each packer assembles almost \$50 worth of food supplies during his/her session.
3. **Volunteering** – Turn hunger into hope with your own two hands. Aug 5-8, 2019, we will gather to hand-pack the ingredients that we are able to fund in (12) two-hours sessions! We hope to need 5,000 volunteers at the 2019 event. Plan to join us.

**Make a difference in the life of a local child by allowing them to hand-pack the ingredients you help fund. Make a difference in the life of a starving child by providing meals! Be the difference.**
